DESCRIPTION

Unisex 7-panel cap in polyester microfibre offering a lightweight, comfortable option for sport and outdoor use. The seven-panel construction with mesh inserts ensures effective ventilation while the smooth, durable fabric maintains shape and is easy to care for. An adjustable rear velcro strap provides a One Size fit. The material is particularly suited to high-quality printed applications.

The cap features a curved peak and visible topstitching that add structure without bulk; the lack of rigid reinforcements makes it easy to fold and store. It comes in several colours, for example Black, Navy or Red.

This personalised 7-panel cap can be ordered from one piece and is ideal for companies, sports clubs, associations, events and private customers. Available branding techniques include screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Our studio can vectorise your logo and include the marking in the quote.
