DESCRIPTION

Unisex 7-panel cap in polyester microfibre designed for sports and outdoor use. The lightweight, smooth fabric (110 g/m²) gives a comfortable, flexible fit while the seven-panel construction provides a snug hold. Contrasting mesh inserts improve breathability during activity. Care is simple thanks to the polyester microfibre.

The cap features a curved, foldable visor for compact storage and an adjustable hook-and-loop strap at the back; a small rear loop is visible in the photo for added reinforcement. Neat stitching and practical finishes suit regular outdoor wear.

This personalised 7-panel cap can be ordered from a single piece and is suitable for companies, sports clubs, associations, events and private customers. Customisation techniques available: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Offered in several colourways, for example Red/Grey or White/Tint Grey.
