DESCRIPTION

Unisex bucket hat in a 70% cotton / 30% polyester blend, created as part of the K-loop project using recycled cotton and recycled polyester. The relaxed fit and brim provide casual wear and sun protection; the tightly woven fabric gives a structured yet flexible feel. Available in 1 colour: Oxford Grey Jhoot, and in sizes S/M and L/XL.

The hat features metal eyelets on the crown for improved ventilation in warm conditions. Visible crown seams and a finished brim enhance durability in everyday use; the subtly heathered appearance reflects the recycled fibre origin. Care: follow the garment's washing instructions for cotton/polyester blends.

This personalised bucket hat can be finished with professional embroidery (embroidery). It suits companies, sports clubs, associations, events and private customers and can be personalised from 1 piece.
