DESCRIPTION

Unisex 6-panel cap in 100% cotton with a vintage washed look and distressed details. The structured six-panel construction gives a defined silhouette while the slightly frayed brim visible on the photo emphasises the retro aesthetic. One size fits most, making it a versatile choice for everyday wear.

The panel layout and cut are designed to provide comfortable wear and to facilitate customisation: discrete seams and panels positioned to maximise printable areas. The distressed finish on the visor adds character without affecting functionality.

This personalised 6-panel cap accepts multiple decoration techniques: screen printing, DTF printing, transfers, flex and embroidery. Ideal for companies, sports clubs, associations, events and private customers — customisation possible from a single item. Our graphic studio can retouch or vectorise your logo. Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg. Standard production time: 10 working days.
