DESCRIPTION

Unisex 6-panel visor in 100% cotton, designed for sports and outdoor use. Lightweight and comfortable, it features a breathable polyester sweatband that helps ventilation. The cotton fabric provides a natural feel and pleasant wear; the visor keeps its shape while remaining flexible for everyday use. Care follows standard cotton textile recommendations.

The visor includes a contrasting sandwich and clean edge finish that give it a dynamic look in practice. The adjustable Velcro closure makes the One Size fitting easy, and the curved peak provides effective sun protection without restricting movement.

This personalised visor can be customised from one piece and is available across a wide range of textile items. Available marking techniques: screen printing transfer, MSO transfer, DTF printing, flex (flocking) and embroidery. Suitable for companies, sports clubs, associations, events and private customers.
