DESCRIPTION

Unisex outdoor hat made from 100% coated polyester with an elliptical shape and wide, flexible brim for practical weather protection. The coated fabric and taped main seams improve water resistance while keeping the hat lightweight. Available in two sizes (S/M, L/XL) and in a single colour.

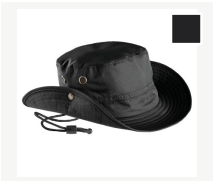

The hat features ventilation eyelets to aid breathability and an adjustable cord with a stopper to secure it in windy conditions. The brim can be folded and fastened to the crown with side press-studs, making the shape adaptable and easy to store. The cut is straightforward and low-maintenance thanks to the polyester construction.

This item can be personalised hat from one piece by embroidery; ideal for businesses, sports clubs, associations, events and private customers. Our graphic studio can retouch or vectorise your logo before production.
