Unisex cap made from 100% cotton with a structured six-panel construction designed for everyday wear. The one-size model features a classic curved peak and neat topstitching that help maintain shape while offering a clean, professional look. An internal padded cotton sweatband increases comfort and helps manage moisture during extended wear.

Practical details include a metal buckle with a self-locking ring for secure, fine adjustment, a central seam and top button that refine the silhouette. The cap is offered in several colour options such as Navy, Magnet Grey and White, making it suitable for promotional use, team kit and event staff.

Personalise this personalised cap using embroidery, screen printing transfer, MSO transfer, DTF printing or flex transfer. Ideal for companies, sports clubs, associations, schools and individuals; the product can be personalised from one piece and our graphic studio can vectorise or retouch your logo prior to production.
