DESCRIPTION

Unisex fleece plaid designed to provide warmth and comfort in everyday use. Made from 100% polyester, it has a soft, lightweight feel that packs down neatly for travel or event use. The one-size format simplifies storage and makes it suitable for shared or promotional use, while the synthetic fabric keeps maintenance straightforward.

The plaid features stitched edging that reinforces the finish and prevents fraying. Its compact fold makes it practical for sports halls, travel, stadiums and welcome areas. It is available in several colours, for example Beige, Black and Navy.

This personalised plaid is best marked by embroidery, which offers a durable and refined result. It can be customised from one piece for companies, clubs, associations, events or private customers.
