DESCRIPTION

This unisex bandana is knitted seamless from 79% polyamide and 21% elastane, offering a stretch One Size fit that sits comfortably without pressure. Lightweight and breathable, it works across seasons to shield the ears from cold and wind while providing a smooth, low-profile feel thanks to its seamless construction.

The headband features a regular rib knit and clean edge finishes for discreet wear. Its elasticity makes it easy to put on and adjust, and it's low-maintenance in terms of care (follow standard wash guidance for polyamide/elastane blends). It is available in 1 colour, for example Black.

This personalised bandana can be customised from one piece and is suitable for companies, sports clubs, associations, events and private customers. Customisation techniques available include embroidery, screen printing/transfer, DTF printing, flex (heat transfer vinyl) and other transfers compatible with the fabric. Our graphic studio can retouch or vectorise your logo for optimal results.
