DESCRIPTION

Unisex folded beanie in 100% acrylic with a visible rib knit that feels soft and smooth. One size with a wide fold-over cuff that provides a secure fit, suitable for everyday wear and outdoor use. The model is available in multiple colourways, for example Black/Orange, Dark Grey/Light Grey or Royal Blue/White.

The contrasting cuff gives a neat finish and allows a subtle style variation while retaining a classic silhouette. The simple construction, without closures or pockets, makes it easy to wear and store. The stated weight ensures a stable knit with good shape retention.

Customisable from one piece, this beanie is ideal for embroidery as a marking technique. Recommended for companies, sports clubs, associations, events and private customers looking for a personalised beanie; our studio can vectorise and retouch logos before production.
