DESCRIPTION

Unisex knitted beanie made from 100% acrylic, designed to provide everyday warmth and comfortable wear. The listed 310 g/m² weight gives a soft yet lightweight feel, and the one-size design fits most heads, making it suitable for urban wear or outdoor activities.

The ribbed brim ensures a secure fit and a clean finish. The visible knit texture shows a regular, elastic stitch that retains shape, while the simple silhouette pairs well with a jacket or coat. The top is finished to avoid uncomfortable seams, offering comfortable all-day wear.

This personalised beanie is available from one piece and is decorated by embroidery. It suits companies, sports clubs, associations, schools and private customers looking for a discreet, long-lasting marking. Our graphic studio can vectorise or retouch your logo before production.
