DESCRIPTION

This unisex pompom beanie in acrylic knit is designed to provide warmth and comfortable wear during colder months. The one-size fit with a wide folded cuff ensures a snug but non-restrictive hold, while the visible rib knit gives the beanie a soft hand and a relaxed silhouette. Easy to care for with appropriate washing for synthetic textiles.

The pompom and folded cuff add character to the beanie; the ribbed construction improves insulation and fit on the head. Its straightforward design has no closures or pockets, making it versatile for everyday wear, outdoor events or as a giveaway at functions.

Customisable from a single item, the pompom beanie is particularly suited to embroidery for a clean, long-lasting logo. Recommended for companies, sports clubs, associations, schools and private customers. Available in several colours, including Black, Navy and Grey Melange. Our graphic studio can retouch or vectorise your logo and include the marking options in the quotation.
