DESCRIPTION

Unisex sport fitted beanie in cotton with a touch of elastane for comfort and a secure fit. The sport cut sits close to the head without pressure thanks to the elastane (95% cotton, 5% elastane); the fabric looks soft with slight stretch. One size and straightforward care following manufacturer instructions.

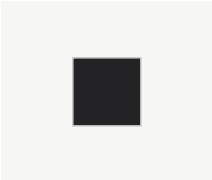

The beanie features a reinforced front band and neat seam detailing around the edge to provide stability and a clean finish. It is offered in several colourways, for example Black and Oxford grey, and suits both sporting use and everyday wear where absorbency and comfort matter.

This personalised beanie is suitable for embroidery: embroidery can be placed on the front band or side. Recommended for companies, sports clubs, associations, schools and private customers. Can be ordered from 1 piece; our studio can retouch or vectorise your logo.
