DESCRIPTION

Unisex classic beanie, knitted at gauge 7 with a soft microfleece lining for added warmth and comfort. The acrylic knit provides a resilient, lightweight and pleasant-to-wear fabric; the beanie comes in one size to fit most head shapes. A knitted star pattern around the crown and a pom-pom give a seasonal look while keeping the piece practical.

The straight cut with a folded brim ensures a secure fit and the microfleece lining improves insulation against cold. Easy to care for and built to withstand regular use while maintaining its knitted appearance. Available in several colourways, for example Cherry Red, Night Navy and Steel Grey.

This personalised beanie can be customised from one piece using embroidery (embroidery). Recommended for companies, sports clubs, associations, seasonal events or private customers seeking a branded winter accessory. Our design studio can prepare and vectorise your logo for embroidery.
