DESCRIPTION

Unisex knitted beanie (one size) made mainly from acrylic with a touch of elastane for added stretch and comfort. The straight silhouette with a ribbed cuff ensures a secure fit, while the pompom provides a seasonal, decorative detail. The knit features jacquard motifs on a horizontal band, combining warmth and a stylish seasonal look that is easy to care for like most acrylic beanies.

Practically, the ribbed hem maintains position on the head and the fabric's elasticity preserves the shape without tightness. The knitted finishes give the beanie good day-to-day durability and the elastane helps limit sagging after repeated wear.

This beanie can be personalised from a single piece and suits businesses, sports clubs, associations and private orders. Personalisation is available by embroidery (broderie); our design studio can prepare or vectorise your logo if needed. A practical and attractive option as a personalised beanie for gifts, events and promotional ranges.
