DESCRIPTION

This unisex Duckbill beret features a retro cut and is made from 100% brushed twill cotton for softness and flexible structure. The thicker construction gives the cap good shape while remaining comfortable; available in sizes S/M and L/XL to fit different head sizes. The design shows a low, rounded profile without a rigid peak, blending easily into casual or neat outfits.

The twill weave provides a durable, matte finish suitable for daily wear. Care is straightforward: follow cotton washing instructions and air-dry to preserve the fabric. Finishes are simple and unobtrusive, which suits subtle, precise branding.

This personalised classic cap is particularly suited to embroidery (borduren) for a clean, lasting logo. It is aimed at businesses, sports clubs, associations and private customers. The item can be personalised from one piece; our artwork studio can vectorise your logo and prepare files for embroidery.
