DESCRIPTION

Men’s hat with an internal ribbon made of 100% polyester, 3 cm wide and available in two lengths (57 cm and 59 cm). The ribbon is stitched in place and non-detachable, providing a tidy interior finish that stays secure during wear. The polyester construction ensures good shape retention and easy care.

The ribbon comes in several colours, for example Black, Orange and Royal Blue. The sewn finish prevents movement and keeps the ribbon fixed inside the hat. Two length options make it compatible with the different hat sizes in the range.

This personalised hat can be customised from a single piece using embroidery, a durable and refined marking method. Suitable for companies, sports clubs, associations, events and private customers looking for a professional internal finishing touch.
