DESCRIPTION

Men's Borsalino-style hat in natural plant fibre, designed for summer wear where a balance of style and comfort is required. The shape features a long 7 cm brim and a shaped crown that provides sun protection while remaining lightweight due to the 100% plant fibre construction. Available in two sizes (57 cm and 59 cm), it suits outdoor events, leisure activities and promotional occasions.

The hat is supplied without a decorative ribbon; the matching ribbon KP609 must be ordered separately. The simple finishing preserves the natural look and structure of the fibre, offering reliable shape retention. Please choose the correct size for a comfortable fit.

This hat is suitable for marking by embroidery, giving a refined and long-lasting result. Recommended for companies, clubs, associations, events and private customers seeking a personalised hat: customisation is possible from one piece and our studio can vectorise your logo and advise on placement.
