DESCRIPTION

Men's Panama-style hat in natural plant fibre, offering a lightweight, refined look. The narrow-brim cut gives a neat silhouette suitable for casual wear and outdoor events. The natural material provides breathability; clean gently by hand and avoid prolonged exposure to moisture to keep the shape intact.

The hat comes in several colours, including Black and White, and is available in 57 cm and 59 cm sizes. It is sold without a ribbon — the matching ribbon (ref. KP609) must be ordered separately. The woven texture and small brim visible on the photo give a clear retro finish, with no additional padding or trims.

This personalised hat can be customised from one piece by embroidery (embroidery). Ideal for companies, sports clubs, associations, events and private customers. Our design studio can vectorise or refine your logo before embroidery.
