DESCRIPTION

This unisex newsboy-style beret features the classic gavroche shape with a full crown and short peak. Made from a wool and polyester blend, it combines structure and warmth with a soft hand; the Tear Away label can be removed if needed. Offered in several colours including Herringbone Grey and Herringbone Sand, and in sizes S/M and L/XL, it suits both urban and vintage-inspired looks.

The herringbone texture and felted appearance give a neat finish: even stitching, a rounded crown and a gently curved peak that preserves balanced proportions without weighing the silhouette down. Care should follow the manufacturer's guidance for mixed fibres.

This personalised beret can be ordered from one piece and accepts embroidery, flex, DTF printing, screen printing transfers and MSO transfers. Recommended for companies, sports clubs, associations, events and individuals looking for a refined accessory with your logo.
