DESCRIPTION

This duckbill beret for men features a low-profile, streamlined fit with a short peak, offering an elegant yet relaxed look. Made from a wool/polyester/viscose blend (50% wool, 20% polyester, 30% viscose), it provides softness and warmth while remaining discreet on the head. Available in two sizes (S/M, L/XL) and several colour options such as Black, Fly Blue and Herringbone Light Grey.

The photo highlights a herringbone texture and a flat finish without a wide rim, underlining the cap's structured silhouette. The Tear Away label makes it easy to remove before decoration. The close-fitting shape ensures comfortable everyday wear and suits both smart and casual occasions.

This personalised bonnet classique can be customised from one piece. We supply embroidery and work on a wide range of textiles for companies, sports clubs, associations, events and private customers.
