DESCRIPTION

Unisex polyester belt designed for everyday work use or event merchandising. It features a woven textile strap and a tone-on-tone metal buckle with a rectangular profile for a clean, durable finish. The length adjusts from XS to 3XL and the strap can be cut to size for a precise fit; maintenance is limited to spot cleaning. The belt is offered in several colours, for example Red, Royal Blue and Yellow.

The photo highlights the textured weave of the strap and the glossy buckle that spans the strap’s width, creating a neat look when worn. The one-size design simplifies inventory and distribution for teams or events without managing multiple sizes.

This personalised belt can be decorated by embroidery, DTF printing, flex, screen printing or transfer depending on the desired effect. Suitable for companies, sports clubs, associations, schools and private customers seeking a practical, identifiable item. Personalisation is possible from one piece and our design studio can vectorise your logo.
