DESCRIPTION

Elastic braided belt for men, one size designed for everyday wear. The braided construction mixes polypropylene and elastodiene to provide stretch and durability, while the woven structure encourages air circulation. It features a metal buckle and polyurethane loops with contrast stitching, and is delivered in a cotton pouch for tidy storage or presentation.

The flexible design allows precise adjustment along the full length without fixed holes. The stitched details and reinforced ends give a clean, durable finish in use. Available in several colours (for example Black, Navy, Mid Grey) and one size, it suits both professional and casual contexts.

This personalised belt can be customised from one piece on a wide range of textile items. Available techniques: embroidery, DTF printing, flex, screen printing, transfer prints, embroidered patches, pad printing and digital printing on objects. Suitable for companies, sports clubs, associations, events and private orders; our graphic studio can vectorise your logo and we provide a free quote within 24 hours on weekdays.
