It features a sturdy metal buckle and an adjustable length fitting sizes from XS to 3XL. Care is simple thanks to the easy-to-maintain material.

Details include a heat-sealed tip to prevent fraying and a flat metal buckle that provides secure fastening. The tight nylon weave offers a consistent surface, suitable to wear with workwear or uniforms. The belt is available in several colours, for example beige, black or navy, and comes in one adjustable size.

This personalised belt can be customised from a single piece. Personalisation techniques available include embroidery, flex, DTF printing, transfers and pad printing depending on the chosen area.
