DESCRIPTION

Men's belt in full-grain leather, presented in a classic 30 mm width and offered in two lengths (90 and 105 cm) which can be adjusted from XS to XXL using a screw fastening that allows the buckle to be removed and the strap shortened. Supplied with a cotton pouch for protection and easy branding. The aniline finish gives a refined, understated appearance and makes it suitable for professional daily wear; care consists of gentle cleaning and appropriate leather care products.

The metal buckle is detachable to size the belt precisely without harming the leather; neat edge finishing ensures a tidy look with dress trousers. Two size groups (M/L and XL/XXL) cover most male fits, making it practical for bulk orders or individual gifts.

Personalised as a personalised belt from a single piece, it is suitable for companies, sports clubs, associations or events. Available marking techniques include embroidery, DTF printing, flex, screen printing, transfer, embroidered patches, pad printing and digital printing on items. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
