DESCRIPTION

This unisex model is a hand-braided full-grain leather belt offering a natural, durable finish. The braided construction provides flexibility and precise adjustment and comes in two sizes (M/L and XL/XXL) to fit a wide range of waists. A simple metal buckle and a reinforced leather keeper provide secure everyday wear. Care is limited to gentle cleaning and occasional leather treatment to maintain suppleness and appearance.

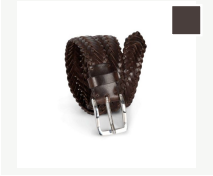

The belt is supplied with a small storage pouch useful for transport and protection; the visible braid on the product shows tight, regular plaiting without exposed stitching, giving a neat, long-lasting look. The item is available in 1 colour, for example Dark Brown, and in the two length options indicated.

This personalised belt is suitable for companies, sports clubs, associations, events and private customers. Customisation options include embroidery, laser engraving on the buckle, screen printing, DTF printing, flex and transfer on the pouch. Single-piece orders are possible and our graphic studio can vectorise your logo.
