This unisex braided belt mixes cotton with synderme for a contrasting two-tone appearance, suitable for casual or workwear. Offered in two lengths (90 cm and 105 cm) covering M/L and XL/XXL, it features an adjustable metal buckle and reinforced faux-leather ends for a secure, comfortable fit. The braided construction gives flexibility while keeping the belt’s shape.

The belt comes with a small storage pouch, useful for transport and protection. The visible details include tightly woven braids and stitched end tabs around the buckle. Care: follow standard precautions for items combining textile and synthetic leather components.

This personalised belt can be customised from one piece. Personalisation options include embroidery, flex, screen printing, transfer, DTF printing, pad printing and embroidered badges, suitable for companies, sports clubs, associations, events and private customers.
