DESCRIPTION

Unisex microfleece bandana designed to protect the ears and retain warmth without bulk. The close-fitting cut and anti-pilling 100% polyester finish provide comfortable insulation during outdoor activities. Offered in several colours (e.g. Black, Dark Grey, Navy) and two sizes (51 cm, 55 cm), it slips on easily and fits discreetly under a helmet or hat.

The construction is minimalist: flat seams and reinforced edges reduce irritation and help maintain shape through repeated use. The microfleece gives a soft inner surface and holds up well to washing while remaining lightweight and breathable. Care is straightforward and suitable for machine washing synthetic textiles.

This personalised bandana can be ordered from one piece, suitable for companies, sports clubs, associations and events. Customisation options include embroidery, DTF printing, screen printing transfer, flex and MSO transfer. Our graphic studio can vectorise or refine your logo; free quote within 24 hours on weekdays.
