DESCRIPTION

Unisex classic beanie in 100% polyester micropolar fleece, designed to provide warmth without bulk. The soft, anti-pilling finish gives reliable insulation and a comfortable feel; the close-fitting cut with a folded cuff ensures a secure fit. Available in several colours (for example Black, Navy, Red) and two sizes (51 cm, 55 cm), it suits teams and individuals seeking a practical, low-profile headwear option.

The anti-pilling treatment helps the beanie keep a neat appearance after washing; the clean edges and simple construction make it robust for everyday outdoor use. Easy to care for, it works well alone or under a hood during activities.

This personalised beanie is best marked by embroidery. Recommended for companies, sports clubs, associations, schools, youth movements and private customers. Orderable from 1 piece, and our graphic studio can retouch or vectorise your logo before production.
