## DESCRIPTION

Unisex fleece beanie in a classic cut, made from soft polyester for lightweight warmth. Designed to provide insulation without bulk, it is suitable for everyday wear and outdoor activities. Available in several colours — for example Black, Navy and Red — and offered in one size, the fabric has a smooth, slightly brushed finish that feels comfortable against the skin and is straightforward to care for.

The beanie features a folded cuff that strengthens the area for branding and improves fit around the ears. Its clean, seamless crown gives a neat profile and sits comfortably under helmets or hoods. The lightweight construction makes it easy to fold and store in a bag or pocket.

This personalised beanie can be decorated by embroidery (embroidery). It is well suited to companies, sports clubs, associations, schools, events and private customers. Our design studio can retouch or vectorise your logo to ensure a precise embroidered result. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg; free quote within 24 hours on working days.
