## DESCRIPTION

Unisex polar fleece bandana made from 100% polyester, offering warmth and comfort without bulk. The One Size design fits across the forehead and ears to shield from cold and wind while keeping hair in place. Its soft, lightweight fleece is suitable for outdoor activities and is easy to care for according to polyester garment instructions.

The bandana features clean edge finishes and a fleece surface that retains heat while remaining breathable. Its simple shape makes it unobtrusive under a helmet or to layer with other outerwear.

This personalised bandana can be ordered from one piece and customised using several techniques: screen print transfer, MSO transfer, DTF printing, flex (heat transfer vinyl) or embroidery.
