DESCRIPTION

Unisex polar neck warmer in 100% polyester, designed to provide warmth and comfort without bulk. The tubular one-size construction fits snugly around the neck and can also be used as a hat or face covering when needed. The fleece fabric offers good insulation and is easy to care for (follow manufacturer's washing instructions).

It features an adjustable drawcord with a toggle, visible in the photo, allowing you to tighten the fit and improve wind protection. The simple finishes and soft construction make it compact and convenient to store in a pocket or bag. Available in several colours, including Black, Dark Grey and Navy.

Ideal for personalised scarf projects by embroidery (borduren): suitable for companies, sports clubs, associations, schools and private gifts. Can be personalised from one piece; our design studio can vectorise or refine your logo before production.
