DESCRIPTION

Unisex classic beanie in micropolar, with a close-fitting cut designed to retain warmth while remaining breathable. Made from 100% recycled polyester, it is offered in two sizes (51 cm and 55 cm) and is easy to care for, quick to dry and well suited to everyday wear and outdoor activities.

The design is clean and understated: no pronounced cuff, a neat top seam and a slim profile that fits comfortably under a hood. Available in several colourways such as Black, Navy or Red, the soft micropolar offers comfortable prolonged wear.

This personalised beanie is ideal for embroidery: embroidery provides a durable, professional finish. It suits companies, sports clubs, associations, schools and private customers. Our in-house design studio can vectorise or retouch your logo and we provide a free quote on weekdays.
