DESCRIPTION

Unisex neck gaiter made from recycled polyester, offering warmth and comfort without bulk. The ergonomic lower cut follows the neck shape while the drawcord at the top ensures a secure fit and protection from wind. It comes in several colour options and sizes S/M and L/XL, and is easy to care for thanks to its synthetic fabric.

Neat finishes and a Tear Away label make handling straightforward. Lightweight and compact, it fits under a jacket or can be worn alone for outdoor activities. Produced from recycled polyester, it offers a more sustainable choice for everyday use.

This personalised neck gaiter can be ordered from a single piece and is suitable for embroidery. Ideal for companies, sports clubs, associations, schools, events and private customers. Our design studio can vectorise your logo and include the marking in the quote.
