DESCRIPTION

Unisex microfleece scarf designed to provide warmth and comfort without bulk. Offered in one size and made from recycled polyester with a Tear Away brand label, its straight cut and simple finished ends make it easy to wear under a coat or on its own.

The soft, breathable fabric is lightweight and packs down neatly while still retaining insulating properties. Care is straightforward thanks to the synthetic fibre composition, and the scarf keeps its shape with regular use. Available in several colours, for example Black, Dark Grey and Navy.

Personaliseable from a single piece, this item works well as a personalised scarf using embroidery. Suitable for companies, sports clubs, associations, events and private customers; our graphic studio can retouch or vectorise your logo prior to marking.
