DESCRIPTION

Unisex patch beanie, knitted with a wide fold for a secure fit and a relaxed style. Made from 50% recycled polyester and 50% acrylic, it delivers warmth and durability; the folded knit cuff provides comfort and reliable hold. A cotton patch on the front simplifies customisation, and the Tear Away label makes it easy to remove the original brand tag if required.

The one-size design adapts to most head sizes thanks to the stretch in the cuff. The beanie displays a consistent knit texture and clean edge finishes at the fold for everyday wear. Care is straightforward—follow the guidance for mixed polyester/acrylic fabrics to preserve shape and the patch surface.

This personalised beanie is customisable from one piece and suits companies, sports clubs, associations, events and private customers. Available marking techniques: transfer, DTF printing, flex and embroidery. Perfect for a visible, durable logo application on the cotton patch. Personalised beanie offered in several colours (e.g. Black, Navy, Grey Heather).
