DESCRIPTION

Unisex beanie with a front patch, knitted for a close fit that keeps warmth without bulk. The wide cuff and Thinsulate™ fleece lining provide effective insulation while remaining lightweight. Made from recycled polyester blended with acrylic, it maintains a consistent shape and cares like a typical beanie. It comes in several colours, for example Black, Navy and Grey Heather.

The beanie features a rectangular cotton patch on the front designed for targeted branding. The slim cut sits close to the head and the ribbed cuff ensures a secure, comfortable fit. One size fits most.

This personalised beanie can be ordered from a single piece, suitable for companies, sports clubs, associations and private customers. Available marking techniques: DTF printing, screen printing transfers, DTF, flex (heat transfer) and embroidery. Our studio can vectorise or retouch your logo before production.

KEY FEATURES

- Cotton patch, perfect for decoration access.
- Thinsulate™ fleece lining offering lightness and thermal comfort.
- Sustainable beanie: made from recycled fibres.
