DESCRIPTION

Unisex classic beanie in one size, designed for everyday wear. Knitted from 50% recycled polyester and 50% acrylic, it features a folded cuff for improved fit and a soft yet durable feel. The knit construction gives a structured silhouette that remains comfortable and easy to fold into a pocket or bag.

Finishes are straightforward and practical: a defined cuff to keep the beanie in place and a Tear Away brand label. There are no visible closures or extra seams, which keeps the look clean and makes it convenient to wear under a helmet or hood.

This classic beanie is available for embroidery and can be personalised from a single piece, suitable for companies, sports clubs, associations, schools and private customers. Offered in several colours; our studio can vectorise or retouch your logo prior to production.
