DESCRIPTION

Unisex classic knitted beanie in one size, made from 50% recycled polyester and 50% acrylic for a soft, comfortable feel. The Thinsulate™ fleece lining provides lightweight thermal insulation, making the beanie suitable for everyday outdoor use without added bulk. Care is straightforward—follow the garment care instructions to maintain the lining and knit structure.

The beanie features a turned-up cuff for a secure fit and additional ear coverage. Neat finishing and dense knitting ensure good durability. Available in several colour options such as Black, Navy and Red, it suits both casual wear and organised events.

Personalise this personalised beanie primarily with embroidery, a technique well suited to knitted surfaces. Recommended for companies, sports clubs, associations, schools, youth movements and private customers. Customisation is available from one piece; our studio can vectorise or retouch your logo.

KEY FEATURES

- Thinsulate™ fleece lining offering lightness and thermal comfort.
