DESCRIPTION

Unisex classic beanie made from acrylic with a folded cuff and a Thinsulate™ fleece lining providing lightweight thermal comfort. The knitted construction delivers a flexible, comfortable fit in one size, suitable for everyday wear and outdoor activities. Care at low temperature is recommended to maintain shape and lining.

The folded cuff gives a clean finish and a stable area for branding, while the knit offers good stretch and durability. The beanie is available in several colours, for example Black, Navy and Red, and works well for team use or casual corporate wear.

This personalised beanie can be ordered from one piece and is suitable for embroidery (embroidery) to produce a professional, long-lasting mark. Recommended for companies, sports clubs, associations, schools and private customers. Our design studio can retouch or vectorise your logo.
