DESCRIPTION

Unisex 6-panel cap in brushed cotton (98% cotton, 2% elastane) with a mid-profile visor and comfortable fit thanks to Flexfit® technology with an elasticated band. An internal crown reinforcement helps the cap retain its shape; the fabric has a dense weave for reliable wear. Available in several colours (for example Black, Navy, Royal Blue) and in sizes S/M and L/XL.

The 6-panel construction provides a structured yet flexible silhouette; the elastane delivers a small amount of stretch for added comfort during extended wear. Care is straightforward: follow the manufacturer's instructions to preserve the cotton brushed finish and the cap's shape.

Customisable from a single piece, this cap accepts personalisation by personalised 6-panel cap methods such as embroidery, screen printing transfers, MSO transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, events and private customers.
