DESCRIPTION

Retro 6-panel trucker for men in a cotton/polyester blend (60% cotton, 40% polyester), offered in one size. The mid-profile visor and rigidified front panels provide shape and structure, making the cap suitable for outdoor activities, events and everyday promotional use. The polycotton fabric is easy to care for and comfortable to wear.

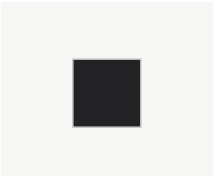

The cap features a mesh back for ventilation and a plastic snapback adjustment for a personalised fit. The reinforced front panels maintain the visor's form and give the trucker a durable, tidy look. Practical finishes and a mid-profile cut make it versatile for branded wear.

This personalised trucker can be ordered from one piece and is ideal for companies, sports clubs, associations and private customers. Available marking techniques include embroidery, screen printing, DTF printing, flex and transfer MSO. Offered in several colourways, for example Black, Navy and Forest Green / Light Grey.

KEY FEATURES

- Soft, hard-wearing and easy-care polycotton.
