Label	Tear-away (ideal for branding)
Labels and certifications	Recycled polyester, Global recycled standard
Country of origin	China
Carton	100 pieces

DESCRIPTION

Unisex 6-panel trucker made from recycled polyester, designed for outdoor use where breathability matters. The classic cut and curved visor offer sun protection while keeping a clean, technical look. The fabric weight (260 g/m²) and construction provide easy care and quick drying, suitable for repeated wear at events, sports activities or corporate outings.

The four rear panels are laser-microperforated to enhance ventilation and heat dissipation. A hook-and-loop strap at the back gives simple one-size adjustment. Neat stitching and a structured visor maintain shape and durability over time.

Order this personalised trucker from one piece and choose among marking techniques: screen printing transfers, MSO transfer, DTF printing, Flex or embroidery. Recommended for companies, sports clubs, associations, events and private customers seeking a sustainable, breathable branded cap. Available in several colours, for example Navy, Sky Grey and White.

KEY FEATURES

- Sustainable cap: contains recycled polyester.
- Guaranteed ventilation and breathability thanks to laser micro-perforations.
- Curved peak to better protect the eyes.

COLOURS (4)

Navy

Nocturn Blue
