| **Carton** | 100 pieces |

## DESCRIPTION

This unisex one-size beanie features a folded cuff and wide ribbed knit for a clean, snug fit. Made from Polylana® (a blend of recycled and regular polyester), the fibre delivers a soft, wool-like hand while lowering environmental impact compared with conventional acrylics. The cuff lets you adjust coverage and keeps the beanie in place for everyday wear.

The visible finish shows neat ribbing and a smooth construction without intrusive internal seams; the shape works well with casual or work outfits. It’s available in several colourways, for example Black, Light Sand and Mauve, offering straightforward styling options.

This item can be personalised from a single piece using embroidery (borduren). Suited to companies, sports clubs, associations, events and private customers looking for a personalised beanie.
