DESCRIPTION

Unisex ribbed beanie with a double cuff in one size, designed to deliver warmth and comfortable wear with a classic workwear-inspired cut. Made from Polylana®, a soft, insulating synthetic yarn (recycled polyester/blended polyester) that offers a more sustainable alternative to acrylic while remaining pleasant to the touch. Easy to care for, this beanie is suitable for everyday use and outdoor activities.

The rib knit and double cuff provide adjustable height and a structured look, with a dense knit that helps maintain shape after wear. Available in several colours such as Algae Green, Black and Cement Grey, it pairs well with jackets and layering pieces for practical winter wear.

This personalised beanie is suitable for embroidery (embroidery), a durable method to apply logos with fine detail. Recommended for companies, sports clubs, associations, schools and private customers; customisable from one piece. Our graphic studio can retouch or vectorise your logo prior to production.
