DESCRIPTION

Unisex long beanie made from Polylana® with a double-rib knit that gives a soft, wool-like feel. The long cut with a fold-up cuff can be worn rolled or slouchy and is offered in several colours, for example Black and Insignia Blue. One size fits most: the beanie fits the head comfortably without excessive tightness and provides good insulation thanks to its sustainable synthetic fibre containing 50% recycled polyester. Follow the care label for gentle washing to preserve the knit structure.

The double-rib construction delivers elastic recovery and a clean edge finish. The elongated shape allows you to adjust the cuff height for different looks, while the dense appearance of the knit helps maintain the beanie's shape over time.

Customisation by embroidery (embroidery) is available: we apply logos and text by embroidery for companies, sports clubs, associations, schools, events and private customers. The beanie can be personalised from one piece; our design studio can vectorise or refine your logo before production.
