Country of origin	China
Carton	100 pieces

DESCRIPTION

Unisex classic beanie with a double rib and fold-over cuff, designed to keep warmth in while remaining soft to the touch. Made from Polylana® (60% polyester, 40% acrylic), this beanie combines structure and comfort thanks to its ribbed knit that fits the head without compressing. One size fits most, suitable for everyday wear or outdoor activities to protect against chilly conditions.

The double rib and turned cuff increase insulation around the ears and forehead for added cold protection. The knitted finish provides lasting shape and a tidy appearance even after repeated use. Available in several colours, for example Algae Green, Granite Grey or Navy.

This beanie can be personalised from a single piece and is particularly suited to embroidery for a durable mark. Recommended for companies, sports clubs, associations, schools, events and private customers. Our studio can also retouch or vectorise your logo if required.

KEY FEATURES

- Double protection from the cold.
- Sustainable synthetic fibre that keeps you warm and respects the environment.
- Optimum traceability.
