DESCRIPTION

Unisex classic beanie in a fine knit, designed to slip on easily without feeling tight. Made from Polylana® — a soft, wool-like synthetic yarn containing recycled polyester — it provides warmth and comfortable wear while reducing environmental impact. The beanie features a turned-up cuff that adds insulation around the ears and a neat, regular knit for a clean silhouette. Available in several colours such as Algae Green, Navy and Off White; one size.

The visible details show a well-defined cuff and a fine rib texture; the beanie holds its shape and works equally well for everyday wear or outdoor use. Easy care appropriate for synthetic fibres (see care label).

Customisable by embroidery for a professional finish. Suitable for businesses, sports clubs, associations, events and private customers; can be personalised from one piece. Our graphic studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays. Standard production and express options are available; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
