DESCRIPTION

Unisex beanie in a maritime style, made from Polylana® (100% polyester) that feels soft and warm like wool. The beanie shown has a short, close-fitting cut with a pronounced rib knit and a folded cuff that keeps the hat in place. It comes in several colours including Black, Cement Grey and Navy, making it suitable for everyday wear, events and casual workwear.

The photo shows a tightly ribbed texture and a neat cuff that maintains shape without adding bulk. Offered in one size, the beanie fits most head sizes and benefits from the easy-care properties of a synthetic fibre. Polylana® also provides traceability via a QR-code on the label to verify the fibre’s origin.

This personalised beanie can be customised from a single piece by embroidery. Recommended for companies, sports clubs, associations, schools, youth movements and private customers. Our design studio can vectorise or adapt your logo; request a free quote within 24 hours on weekdays.
