## DESCRIPTION

Unisex safety gilet designed for construction sites and events, made from lightweight 100% polyester (120 g/m²). The sleeveless V-neck cut features contrasting seams and a double hook-and-loop closure for a secure fit. Two 5 cm reflective bands provide enhanced visibility. Available in several colours — for example Blue, Lime Green or Royal Blue — and in sizes S to 7XL. The polyester fabric is easy to care for and comfortable to wear over a T-shirt or work clothing.

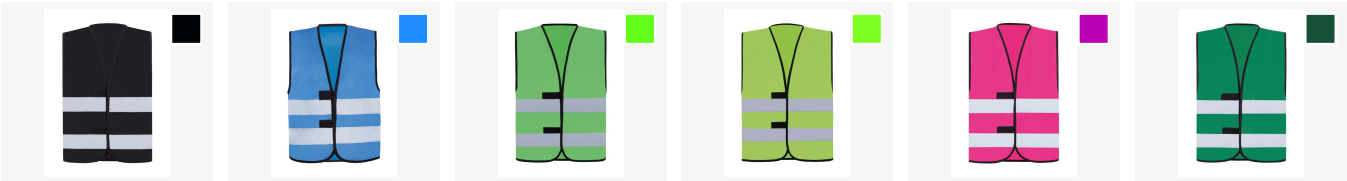

Practical details include a simple finish without external pockets for easy layering, reinforced edges and visible stitching for long-term durability. The fabric's lightness ensures quick drying and comfortable wear on the job.

These personalised gilet options can be ordered from one piece and customised using Screen printing transfers, MSO transfer, DTF printing, Flex (flocking) or Embroidery. Suitable for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo before production.

## KEY FEATURES

- Excellent visibility thanks to wide reflective strips.
- Lightweight 100% polyester fabric.
- Wide choice of colours.
